Subject: Second Amended Complaint & Schedule

Greg:

Reading your comments to the press, it appears that you intend to file a Second Amended Complaint. From our briefs and comments at the hearing, it will come as no surprise that we do not believe that there would be merit to such a complaint. While we are sure you are aware of your obligations under Rule 1, please keep those obligations in mind as you set out your amended allegations. We had difficulty seeing how there was a good faith basis for some of the allegations Kinderstart made in the past.

In the meantime, please let me know when we can expect to receive your revised complaint so that we can discuss a briefing schedule that makes sense. While the Court's order did not set a deadline, it plainly does not expect you have an indefinite period of time in which to amend.

Thanks,

Dave Kramer

Greg:

It has been almost three weeks since you were given leave to file an amended complaint. Your message below promised an update last week, but I've received nothing. When specifically do you intend to file an amended complaint?

Dave,
Saw your e-mail from last Thursday night.
My uncle in VA passed away that day, I'm now in VA/DC for the service.
After I return to CA on Friday, 7/28, I'll update you.
Regards,
Greg
